

MUSIC at St MARY'S

Music plays a vital role in the life of St Mary's. Under the leadership of internationally acclaimed organist Christopher Wrench and conductor Emily Cox, music in worship at St Mary's is cradled in a rich blend of organ, choral, solo and congregational music from many styles and eras. Our 2007 programme features the organ music of anniversary composers BUXTEHUDE, ELGAR & LANGLAIS performed on the Allen digital organ.

St Mary's Music Foundation will be formed in 2007 to enable the continuation and expansion of St Mary's vibrant music programme. For information about how to make a TAX-DEDUCTIBLE DONATION please visit www.saintmarys.org.au/musicfund.htm.

Please visit www.saintmarys.org.au for information about St Mary's community, including our church history, worship services, St Mary's Choir and the project to restore Queensland's oldest organ. TAX-DEDUCTIBLE DONATIONS to the **organ restoration fund** may be made via the National Trust Kangaroo Point Anglican Parish Appeal Account.
