

SAINT MARY'S ANGLICAN CHURCH KANGAROO POINT

CHURCH SEATING GUIDE

- Saint Mary's seats 190 people comfortably, while 200 people is a tight squeeze.
- The centre aisle is 1 metre wide, and this cannot be changed.
- There are 56 pews in the Church
- The four rows of timber pews in Saint Mary's church can be seen in images on the website.
- There are two middle rows of pews adjacent to the centre aisle, and two smaller side rows of pews against the sides of the nave.
- As well as the main aisle, there are two side aisles accessing both the main pews and the smaller rows.
- The scale of the church provides a clear view of the wedding ceremony, and voices carry well in the pews.
- Seating capacity is:
 - Middle row pews: 30 in 2 rows of 15, seating 5-6 persons each
 - Side pews: 26 in 2 rows of 13, seating 2 – 3 persons each
- The church is **not** air conditioned, but does have pedestal fans.
